Description:

Depart from DirectAir's lounge at Darwin airport for your flight to the world famous Kakadu National Park 220 kms East of Darwin. Your route takes you over the Adelaide and Mary River wetlands before entering Kakadu National Park. After flying over the East and South Alligator Rivers we fly over the township of Jabiru and the distinctive Gagugja Crocodile Hotel which is built in the shape of a crocodile. From here we head for the famous "Rock Escarpment" and the spectacular Jim Jim and Twin Falls which are at their best in the wet season.

After landing at Cooinda it is a short walk to board the world renowned Yellow Waters Wildlife boat cruise, located on the freshwater floodplains on the upper South Alligator

River to enjoy the rich variety of flora and birdlife with your experienced tour guide. After the cruise we have lunch at the Gagadju Lodge restaurant before departing for Darwin overflying the mango plantations and small farms that surround the city.
