Description:

After we depart Essendon Airport we fly at low level along Victoria's "Shipwreck Coastline" and over the Twelve Apostles before landing at Warrnambool where you are met by your local guide for your limousine tour to Port Campbell and along the Great Ocean Road. Enjoy a 2 course lunch at Port Campbell before continuing your tour to the famous Twelve Apostles, Loch Ard Gorge and marvel at the dramatic seascapes carved into the coastline by the harsh Southern Ocean.

Return to the airport in the afternoon and board your aircraft for Kangaroo Island where you will be met by your local guide for transfers to your Ocean View room at Kangaroo Island Lodge.

After dinner join the Nocturnal Tour and discover the indigenous wildlife that only comes out at night.

In the morning you'll be met and escorted via 4WD vehicle to Flinders Chase where New Zealand fur seals rest on the rocks and frolic in the surf under Admiral's Arch, a spectacular coastal grotto. On the headland above is a magnificent lighthouse where three light keepers and their families lived maintaining a warning for ships.

Visit the Remarkable Rocks, huge natural granite sculptures carved by relentless winds, rain and salt from the Southern Ocean.

Enjoy a delicious seafood barbeque lunch served with fine South Australian wines at one of our private lunch sites.

Travel to Seal Bay Conservation Park where you are able to walk with your guide among Sea lions on a beautiful sandy beach. Watch pups nursing, or playing in the surf, see old bulls bearing the scars of territorial disputes and learn of their unique breeding biology.

Our return flight takes us in a direct route to Melbourne City which we orbit briefly before landing back at Essendon for your return journey to your hotel.
